Education Committee Meetings

The 2021-2022 Education Committee will begin meeting Aug. 25 at 9:30 in the Safari Lodge. Monthly meetings will be Sept. 22, Oct. 27 and Nov. 17 (if one is needed for Nov.). Any docent is welcome to be on the Education Committee. The Committee addresses education issues and brings them to the CMZA Board if needed. They address tour, safari and CEC issues and coordinate education with the EdVenture department. If you have an issue you would like addressed, please contact Greta or Marianne Brooks ahead of time so we can get it on our agenda.

At the Sept. TE and IE meetings there will be a sign up for those who wish to mentor and certify a new trainee, both being 2 separate items and not done by the same person. One does not have to be on the Education Committee in order to be a mentor or certifier. You will earn 2 credit hours as a mentor provided your annual service hours have been met. September is rather early to decide, so don't feel you have to commit at that time. I am very good at recruiting!

Thank you!

Greta Johnson, 1st VP (Education)
